

Parking Information

Employers may use the visitors (red) section of parking lot NC43, next to the Art and Architecture Building, which is across the street (Bonisteel Boulevard) from the Chrysler Center where our office is located. Please allow at least 15 minutes to park, pay at the "Pay Here" station and walk to our office.

Visitor parking areas are identified by the "V" symbol (red). Payment of an hourly parking fee is required during enforcement hours only, which are posted at lot entrances. The visitor parking rate is approximately \$1.10/hour. Fees may be paid by coin, cash or credit card (Visa, Mastercard or Discover). Other areas within the lots represent permit parking (blue, gold, orange or yellow). In these areas, display of the corresponding color-coded permit is required during enforcement hours only. Persons with disabilities may contact the ECRC for details on parking (734) 647-7160.

Please Note: Failure to follow University parking policies can result in citations. The ECRC is not responsible for any parking citations.

Please share this information with anyone within your organization that is planning to visit to the ECRC.

We are looking forward to seeing you on campus soon. Thank you again for supporting our recruiting efforts at Michigan Engineering and offering valuable career opportunities for our students.
