Aerospace Engineering

- Aero Industry Jobs (http://www.aeroindustryjobs.com/)
The leading network for careers in the aerospace, defense, aviation, advanced materials & composites industries.

- Aerospace Engineering Jobs (http://www.engineerjobs.com/jobs/aerospace-engineering/)
From Engineer Jobs.com, the world's most-visited engineering job site, find every aerospace engineering job available anywhere on the web.

Includes federal government jobs.

All aeronautical engineering jobs in USA on Careerjet.com, the search engine for jobs in the USA.

- Aviation Jobs (http://www.avjobs.com/)
Aviation-related employers post opportunities.
• **NASA Jobs** ([http://nasajobs.nasa.gov/jobs/occupations.htm](http://nasajobs.nasa.gov/jobs/occupations.htm))
  Careers and types of jobs at NASA.

• **Postings of aviation & aerospace jobs** (Nation Job) ([http://www.nationjob.com/aviation/](http://www.nationjob.com/aviation/))

• **Space Careers** ([http://www.spacelinks.com/SpaceCareers/](http://www.spacelinks.com/SpaceCareers/))
  Over 500 companies offering space jobs are on this site.

### Atmospheric, Oceanic, and Space Sciences

• **Atmospheric & Oceanic Science Jobs - Now Hiring** ([http://nowhiringtoday.jobamatic.com/a/jobs/find-jobs/q-Atmospheric+&+Oceanic+Science](http://nowhiringtoday.jobamatic.com/a/jobs/find-jobs/q-Atmospheric+%26+Oceanic+Science))
  Search Atmospheric & Oceanic Science jobs and related careers at Now Hiring.

• **Atmospheric science jobs in USA | careerjet.com** ([http://www.careerjet.com/atmospheric-science-jobs.html](http://www.careerjet.com/atmospheric-science-jobs.html))
  All atmospheric science jobs in USA on Careerjet.com, the search engine for jobs in the USA.

  Search jobs and apply to Atmospheric Scientist Jobs. Search jobs in one of the largest job posting databases online. Find local & industry jobs.

• **Current Job Openings in the Weather and Atmospheric Sciences** ([http://weather.about.com/od/currentjobopenings/Current_Job_Openings_in_the_Weather_and_Atmospheric_Sciences.htm](http://weather.about.com/od/currentjobopenings/Current_Job_Openings_in_the_Weather_and_Atmospheric_Sciences.htm))
  Save time hunting down weather science job sites. Here is a list of current job opportunities to explore.

• **Directory of links for searching a job in space sciences** ([http://www.galacticsurf.net/spacejobsGB.htm](http://www.galacticsurf.net/spacejobsGB.htm))
  Space job search page

• **Meteorology Jobs in Climate Atmospheric Sciences Meteorology...** ([http://www.earthworks-jobs.com/clim.htm](http://www.earthworks-jobs.com/clim.htm))
  EARTHWORKS advertises worldwide career and employment opportunities in the atmospheric sciences, climate, meteorology.

• **OceanCareers.com** ([http://www.oceancareers.com/2.0/jobs_and_internships.php](http://www.oceancareers.com/2.0/jobs_and_internships.php))

• **Space Science Jobs | ResearchGate** ([http://www.researchgate.net/jobs/610_Space_Science/](http://www.researchgate.net/jobs/610_Space_Science/))
  Careers in Space Science, science, education and research on the leading international job platform.

### Biomedical Engineering

• **BMES Job Board** ([http://jobboard.bmes.org/search.cfm](http://jobboard.bmes.org/search.cfm))
  Lists current jobs in the Biomedical industry.

  BioPharmGuy is about making your job search efficient and easy and is an excellent tool for conducting a biotechnology or pharmaceutical job search. This site is useful in a new grad job search, and also helpful for students trying to figure out what types of careers they can find with biotech/engineering/life science degrees.

• **Biohealthmatics.com** ([http://www.biohealthmatics.com/](http://www.biohealthmatics.com/))
  "Career networking site dedicated to biotechnology and healthcare IT professionals."
• BioMedical Engineering Jobs for BioMedical Engineers (http://www.biomedicalengineer.com/)

• Biomedical Engineer Jobs & Employment (http://www.flipdog.com/jobs/biomedical-engineer/)
Find new Biomedical Engineer jobs, careers, and employment opportunities at FlipDog.

• Biomedical Engineer Jobs on CareerBuilder.com
(http://www.careerbuilder.com/jobs/keyword/biomedical+engineer/)

• Biomedical Engineering Job Banks | Employment Spot
(http://www.employmentspot.com/careers/engineering/biomedical-engineering-job-banks/)
Read articles and search for openings.

• Biomedical Engineering Jobs at New Scientist Jobs (http://jobs.newscientist.com/jobs/biomedical-engineering/)

• Biomedical Engineers: Training, Salary, & Career Information
(http://www.collegegrad.com/careers/proft09.shtml)
Learn more about biomedical engineering careers, including popular training programs, salary statistics, employing industries, and more.

• Cleveland Biomedical Virtual Job Fair (http://www.biomedicaljobfair.org/pages/)
The Cleveland Biomedical Virtual Job Fair is a free web-based event that offers employment opportunities from Cleveland’s regional biomedical companies, the job fair focuses on full-time early to mid-level career positions. Also included is a list of biomedical employers.

Chemical Engineering

• American Institute of Chemical Engineers (AICHE) (http://careerengineer.aiche.org/c/search.cfm?site_id=1932)
See careers and employment for jobs listings, salary surveys, more.

• Chemical Engineer.com (http://www.chemicalengineer.com/)
Chemical engineering job board and resume posting site.

• Chemical Engineer Jobs (http://www.engineerjobs.com/jobs/chemical-engineering/)
Search chemical engineer openings.

• Chemical Engineer Jobs & Employment - FlipDog Job Search (http://www.flipdog.com/jobs/chemical-engineer/)
Find new Chemical Engineer jobs, careers, and employment opportunities at FlipDog.

• Chemical Engineering jobs ~ all jobs in Chemical Engineering (http://chemicalengineeringjobs.org/)
Search job boards, company career pages and associations for USA Chemical Engineering jobs. Free, no registration necessary.

• Chemical Engineer Job Description, Salary, and Training (http://www.jobdescriptions.net/engineering/chemical-engineer/)
Job search for Chemical Engineer Jobs.

• Engcen (http://www.engcen.com/chemical.asp)
Job openings for chemical engineers.

• MadeInAmericaJobs.com (http://www.manufacturingjobsite.com/)
Jobs in manufacturing, industrial and process engineering.
Civil and Environmental Engineering

- **ASCE Jobs** ([http://careers.asce.org/search.cfm](http://careers.asce.org/search.cfm))
  Lists current jobs for Civil Engineers.

- **The Blue Book** ([http://www.thebluebook.com/links/ilhead.htm](http://www.thebluebook.com/links/ilhead.htm))
  The Blue Book of Building and Construction.

- **CleanTechRecruits.com** ([http://www.cleantechrecruits.com/](http://www.cleantechrecruits.com/))
  From internships for college students to jobs for Ph.D.s. Engineering, business and environmental jobs in sectors including: Solar energy, wind energy, geothermal energy, biomass, biofuel, clean coal, green construction, hydropower.

- **Civil Engineering Jobs** ([http://www.civilengineeringjobs.com/](http://www.civilengineeringjobs.com/))
  Find civil engineering jobs quickly.

- **Civil Engineering Jobs** ([http://icerrecruit.com/](http://icerrecruit.com/))
  Search for civil engineering jobs in the UK and Europe.

  Construction and related vacancies nationwide.

  Useful information on job listings nationwide.

  Hundreds of environmental jobs in various industries (user ID=berk, password=uca).

- **Engcen** ([http://www.engcen.com/civil.asp](http://www.engcen.com/civil.asp))
  Jobs for civil engineers.

  Environmental Career Center - The leading site dedicated to environmental employment.

  Resources for architectural, engineering, and construction industry job seekers.

  Information on a wide variety of careers that have an environmental impact.

- **Green Dream Jobs**
  Lists career and internship openings, links and resources.

- **Green Jobs Network** ([http://greenjobs.net/](http://greenjobs.net/))
  Searchable database of environmental and social responsibility positions throughout the US.

- **Greenjobs.com** ([http://greenjobs.com/](http://greenjobs.com/))
  Job board focused specifically employment in renewable energy worldwide.
• Institute of Transportation Engineers (http://jobs.ite.org/)
  Employment Center Job Search.

• Internships with the Environmental Careers Organization (http://www.eco.org/)

• Structural Engineering Jobs (http://www.structuralengineerjobsource.com/)
  Jobs for structural engineers.

• Structural Engineers Association (http://www.seaint.org/)
  Connect to structural engineering employers.

• Web Directory (http://www.webdirectory.com/)
  Directory of links to various environmental organizations.

• U.S. Army Corps of Engineers (http://www.usace.army.mil/Home.aspx)
  Hires civilian personnel.

• U.S. Environmental Protection Agency (http://www.epa.gov/)

• UtilityRecruiter.com (http://www.utilityrecruiter.com/Candidates_JobSearch.aspx)
  View job listings; no resume posting by candidates.

**Computer Science and Computer Engineering**

• Computerwork.com (http://www.computerwork.com/)
  Jobs for computer professionals in the IT/IS industry.

• Computerworld.com: 100 Best Places to Work in IT
  Profile on each listed organization w/ stats related to employees, training, promotions, turnover and more.

• ComputerJobs.com (http://www.computerjobs.com/)
  Search by location and/or skill.

• Dice.com (http://www.dice.com/)
  High tech / computer professionals’ jobs.

• ID Tech Camps, internalDrive, Inc. Technology camp jobs (http://www.internaldrive.com/why-id/summer-camp-jobs-and-full-time-employment-at-our-computer-camps/)
  Technology, gaming, film, programming camps needing summer/seasonal and all-year permanent staff.
  Locations throughout the U.S.

• International IT Jobs.com (http://www.iitjobs.com/)
  Jobs listed by country and IT specialty.

• ITCareers.com (http://www.career2.com/detail/6263/itcareers-com.html)

• JustTechJobs.com (http://www.justtechjobs.com/)
  JustTechJobs.com provides targeted, high-tech job openings in your area.

• OdinJobs.com (http://www.odinjobs.com/)
  Programming and IT jobs, career info, salary info.
• **PRGJobs.com** ([http://www.prgjobs.com/](http://www.prgjobs.com/))
  Over 6,000 employers for software professionals.

• **SoftwareJobs.com** ([http://www.enetsc.com/SoftwareJobs.htm](http://www.enetsc.com/SoftwareJobs.htm))
  Search by keyword or location.

• **System z Job Board** ([http://www.systemzjobs.com/home/index.cfm?site_id=11677](http://www.systemzjobs.com/home/index.cfm?site_id=11677))
  Job vacancies for mainframe and IT field.

• **Tech-centric.net** ([http://www.tech-centric.net/](http://www.tech-centric.net/))

• **Techies.com** ([http://www.techie.com/](http://www.techie.com/))
  Find jobs, enhance skills, and stay informed about tech employment and training trends.

  The top computer job resources on the Internet.

  Categories: web graphic designer, web developer, multimedia designer, online marketing, other.

  Specialist telecoms jobs board for those seeking telecoms jobs, radio jobs, mobile computing jobs, bluetooth jobs, wimax jobs, wifi jobs and mobile telecoms jobs.

---

**Electrical Engineering**

• **Association of Energy Engineers.org** ([http://www.energyvortex.com/careercenter/](http://www.energyvortex.com/careercenter/))
  Jobs link will send you to EnergyVortex.com Online Career Center.

• **CleanTechRecruits.com** ([http://www.cleantechrecruits.com/](http://www.cleantechrecruits.com/))
  From internships for college students to jobs for Ph.D.s. Engineering, business and environmental jobs in sectors including: Solar energy, wind energy, geothermal energy, biomass, biofuel, clean coal, green construction, hydropower.

  Wide variety of jobs — engineering, GIS, accounting, management, construction, etc. — with electrical cooperatives.

• **ElectricJob.com** ([http://www.electricjob.com/](http://www.electricjob.com/))
  Electrical industry jobs, including engineering and professional, management, sales, and trade jobs with residential, commercial, industrial and institutional contractors, wholesaler/distributors, manufacturers, building owners and managers, and consulting engineering firms.

• **Electrical Engineer** ([http://www.electricalengineer.com/](http://www.electricalengineer.com/))
  Job seekers will find many job opportunities in electrical engineering and related fields.

  Find internships and entry level electrical engineering jobs.
• Engineers International (http://www.engineers-international.com/electrical_engineering_jobs.html)
  Electrical engineering jobs, links, and resources.

• National Rural Electric Cooperative Association.coop (http://www.nreca.coop/Pages/default.aspx)
  Careers overview

• Professional Energy Jobs.com (http://www.professionalenergyjobs.com/)

• WirelessMobile-Jobsboard.com (http://www.wirelessmobile-jobsboard.com/)
  Specialist telecoms jobs board for those seeking telecoms jobs, radio jobs, mobile computing jobs, bluetooth jobs, wimax jobs, wifi jobs and mobile telecoms jobs.

**Engineering Physics**

• APS Physics Jobs Center - Database Resume Search and Job ... (http://www.aps.org/careers/employment/jobcenter.cfm)
  Employers and job seekers for science jobs, engineering jobs, and technology jobs.

• PhysJobs - Physics Jobs Online - PhysNet - Physics (http://de.physnet.net/PhysNet/physjobs.html)
  Jobs for Physics Professionals Jobs for Physicists and Engineers - by PhysLINK.com for employers and job seekers.

• Engineering Physics jobs from SimplyHired.com (http://www.simplyhired.com/a/jobs/list/q-engineering%2Fphysics)

**Industrial and Operations Engineering**

• Industrial engineering job search career employment resumes (http://www.engcen.com/industrial.asp?Page=2)
  Industrial engineering jobs and resumes - employment opportunities for industrial engineers.

• Industrial Engineering Jobs - Jobs in Industrial Engineering (http://industrial.engineer.jobs.topusajobs.com/)
  Search jobs in Industrial Engineering All Industrial Engineering jobs updated daily.

• Industrial Engineer (http://www.industrialengineer.com/)

• Industrial Engineering Jobs (http://www.engineerjobs.com/jobs/industrial-engineering/)
  From Engineer Jobs.com, find every industrial engineering job available anywhere on the web without having to register.

• Industrial Engineering Jobs (http://www.simplyhired.com/a/jobs/list/q-industrial+engineer)
  Engineering jobs listed for engineers seeking graduate employment in industrial engineering.

• Industrial Engineer Jobs – H1B Jobs and Visa Sponsorship (http://h1bvisajobs.jobamatic.com/a/jobs/find-jobs/q-Industrial+Engineer)
Search Industrial Engineer jobs and related careers at H1B Jobs and Visa.

- **Industrial Engineering Jobs: Target Active Job Seekers** ([http://www.industrialengineeringjobs.org/](http://www.industrialengineeringjobs.org/))
  Industrial engineering jobs, job listings and career opportunities online - find industrial engineering jobs online, including positions available locally and nationwide.

  Lists current jobs in Industrial Engineering.

- **MadeInAmericaJobs.com** ([http://www.manufacturingjobsite.com/](http://www.manufacturingjobsite.com/))
  Jobs in manufacturing, industrial and process engineering.

  Research an industrial engineer salary by location, industry and more. Free salary comparison report.

**Materials Science and Engineering**

- **ASM International Career Center - Job Search** ([http://careercenter.asminternational.org/jobs](http://careercenter.asminternational.org/jobs))
  ASM International - Everything Material ... ASM Career Center ..... Ph.D in Materials Science, Surface Science, Chemistry, or Engineering.

  Materials jobs, metallurgical jobs, materials science jobs, materials engineering.

  Materials science job listings.

**Mechanical Engineering**

- **American Society of Mechanical Engineers.org** ([http://www.asme.org/kb/topics/career-development](http://www.asme.org/kb/topics/career-development))
  Includes "entry level" in job search.

  Jobs for mechanical engineers.

  Browse Entry Level Mechanical Engineering jobs from 1000s of job boards and employer web sites in one place.

  Contains career and employment resources for job-seekers covering the 40 largest metropolitan areas in the USA. Included in this database are: job search resources, employment outlook, professional networking groups, cost of living, major employer listings by industry sector, non-profits and volunteer opportunities.

- **Mechanical Contractors Association of Metropolitan Washington.org** ([http://www.mcamw.org/](http://www.mcamw.org/))
  Lists co-ops and internships; includes career information.

- **Mechanical Engineer.com** ([http://www.mechanicalengineer.com/](http://www.mechanicalengineer.com/))
  Mechanical Engineering Job Search Page- Across the globe there are companies actively seeking Mechanical Engineers - Come See Where.

• **Mechanical Engineering Jobs** ([http://www.governmentengineeringjobs.com/jobs/mechanical-engineering-jobs.html](http://www.governmentengineeringjobs.com/jobs/mechanical-engineering-jobs.html))
  You have found the most comprehensive job listing website for Government Engineering Jobs, including Civil, Mechanical, Electrical and Aerospace.

  The newest postings for Mechanical Engineering Jobs in Michigan.

• **Mechanical Engineering Job Market Overview, Mechanical** ([http://www.odinjobs.com/Mechanical-Engineering_job_market_overview.html](http://www.odinjobs.com/Mechanical-Engineering_job_market_overview.html))

• **Mechanical Engineer Job Source** ([http://www.mechanicalengineerjobsource.com/](http://www.mechanicalengineerjobsource.com/))
  If you are looking for Mechanical Engineering Jobs or Mechanical Designer Jobs you have come to the right place. To get started just click on a state.

• **NationJob.com** ([http://www.nationjob.com/engineering/](http://www.nationjob.com/engineering/))
  Job postings site for materials and metallurgy opportunities.

  Entry-level and experienced technicians and inspectors, civil engineering, geotechnical engineering, geological engineering, construction engineering, environmental engineering, geology, mechanical engineering, chemistry, natural sciences, other science-related fields.

  View job listings; no resume posting by candidates.

**Naval Architecture and Marine Engineering**

• **Society of Naval Architects and Marine Engineers** ([http://www.sname.org/Home/](http://www.sname.org/Home/))
  An internationally recognized nonprofit, technical, professional society of individual members serving the maritime and offshore industries.

  Browse Naval Architecture Marine Engineering jobs from 1000s of job boards and employer web sites in one place.

• **Engineering - Naval Architecture Jobs** ([http://www.oilcareers.com/content/categories/Engineering_Naval_Architecture.asp](http://www.oilcareers.com/content/categories/Engineering_Naval_Architecture.asp))

• **Naval Architecture and Marine Engineering Firms** ([http://www.sbp.noaa.gov/resources/engineering/navarch.html](http://www.sbp.noaa.gov/resources/engineering/navarch.html))
  NOAA has a Level of Effort (LOE) contract which is frequently used to provide naval architect and marine engineering design services to the ships of the NOAA.

  Search openings. Jobs.com has Engineering Naval Architecture & Marine Engineering jobs for everyone.

**Nuclear Engineering and Radiologic Sciences**

• Nuclear Engineering Jobs (http://www.engineerjobs.com/jobs/nuclear-engineering/)
  From Engineer Jobs.com, find every nuclear engineering job available anywhere on the web without having to register.

• Nuclear Engineer Jobs on CareerBuilder.com (http://www.careerbuilder.com/jobs/keyword/nuclear+engineer/)

DiverseNote is here to assist you in creating a strong professional network and increase your career development. Services that connect you to long term career opportunities that are
promising. Join for free, today.

• Electronics Industry Job Openings (http://www.ventureoutsourc...)
  VentureOutsource.com posts entry-level, managerial and executive-level job openings from global technology companies.

• EngCen.com (http://www.engcen.com/engineering.asp)
  Jobs for engineers: chemical, civil, electrical, industrial, manufacturing, mechanical, other engineering, and computer/IT.

• Engineer Career Network (http://www.engineercareer.net/)

• Engineer.info (http://www.engineer.info/)
  Engineer.info searches through millions of jobs from thousands of websites including Monster, CareerBuilder, Hotjobs, Net-temps, Dice, and Craigslist. Find engineer jobs from all job sites, newspapers, associations, and company career pages.

• EngineerJobs.com (http://www.engineerjobs.com/)
  Engineering job source providing fast loading and easily accessible listings from across the United States. Conduct searches by state, job title, and many other methods. Users can post their resume in a database searched by companies.

• Engineer.net (http://www.engineer.net/)
  Engineer.net lists engineering jobs and resumes for aerospace, chemical, civil, electrical, industrial, manufacturing, mechanical, or software engineering.

• Engineering Central (http://www.engcen.com/engineering.asp)
  Listing jobs for Engineers since 1996, Engineering Central is an employment resource for chemical, civil, electrical, industrial, manufacturing, and mechanical engineers.

• Engineering Jobs (http://engineeringjobs.com/)
  Check out the links to employer job pages! Also, post and send your resume to over 700 companies. Interested in accessing info about third party recruiters/headhunters? This site can help with that also.

• Engineering Society of Detroit (http://ww2.esd.org/home.htm)
  The Society's programs and services are dedicated to enhancing the profession and the community, while encouraging growth and development of engineers and scientists for the future. They host local Engineering career fairs and provide members with job placement services.

• ExecSearches.com (http://www.execsearches.com/Default.asp)
  It lists jobs for senior-level administrators in a variety of areas (including finance, fund raising, housing, human resources, information technology, legal affairs, and public relations) at universities, associations, non-profit organizations, and government agencies.

• Flipdog (career research site) (http://www.flipdog.com/)
  Post resumes, find jobs, and set up an automated job hunter on FlipDog. Users can access expert advice in the resource center and request a semi-monthly newsletter.

• The Fulcrum International (http://www.thefulcrumintl.com/Home/Default.aspx)
  This site is specifically for professionals and skilled craftsmen in the Architectural / Engineering / Construction (A/E/C) industries.
• Green Business Jobs (greenjobs.de) (http://www.kaufda.de/Umwelt-Jobs/jobs/Green-Jobs-international/)
  "Science, engineering, management jobs."
  Categories: Environmental jobs, science jobs, engineering jobs, green management jobs, environmental
  internships. Meta-site that sends you to various sites on which job details are listed.

• High Tech NY (Now found on America’s Job Exchange) (http://www.americasjobexchange.com/NY/state-jobs)
  Search the listings of some of the most exciting and rewarding high-technology jobs available today in New York
  State.

• JustEngineers.net (http://www.justengineers.net/)
  Postings for engineering and related technical positions.

• We are Made in NY (http://wearemadeinny.com/)
  We Are Made In New York is an economic development initiative that supports the city’s vibrant tech
  community by highlighting job opportunities in the sector, celebrating the growing number of NYC-based digital
  companies, and providing access to resources and programs that help tech companies grow, and novices learn
  how to become part of the innovation ecosystem.

• Michigan.org (http://www.michiganadvantage.org/Talent-and-Jobs/)
  A site dedicated to high-tech employment in Michigan. Designed to connect skilled workers and employers,
  users will find it easy to search out jobs and apply. Also includes links to Michigan economy lifestyle.

• Monster.com (http://www.monster.com/)
  Research companies, post your resume, and search out jobs at this large employment site. Over 3,000 pages of
  resume help, salary data, and industry info are also included.

• NewScientistJobs.com (http://jobs.newscientist.com/)
  Biology, chemistry, physics, math & IT, earth & environment, engineering.

• The Physics Today Career Network (http://www.physicstoday.org/jobs)
  This comprehensive classified section reaches physicists, engineers and other scientists in a broad range of
  sectors from academia to industry to government and nonprofit organizations.

• PlumbJob.com (http://www.plumbjobs.com/%28S%28o5mvae45dstm5445ovsaf4yg%29%29/default.aspx)
  Plumbing industry jobs, including engineering and professional, management, sales, and trade jobs with
  residential, commercial, industrial and institutional contractors, wholesaler/distributors, manufacturers, building
  owners and managers, and consulting engineering firms.

• Reviews.com Job Sites (http://www.reviews.com/job-sites/)
  Reviews.com features a comprehensive guide, expert ratings, data-driving comparisons, and unbiased reviews
  to help students and graduates quickly find the job listing site that best suits their needs.

• ScienceCareers.org (http://scjobs.sciencemag.org/JobSeekerX/SearchJobsForm.asp)
  Job search in 39 science categories, including engineering, computer science, math, and more.

• USA Career Guides (http://searchtools.lib.umich.edu/V?func=native-link&resource=UMI06341)
  Contains career and employment resources for job-seekers covering the 40 largest metropolitan areas in the
  USA. Included in this database are: job search resources, employment outlook, professional networking groups,
  cost of living, major employer listings by industry sector, non-profits and volunteer opportunities.
Government/National Laboratories

  Student research opportunities related to: physical and life sciences, mathematics, computer science and engineering, coal, conservation, environmental impact and technology, fission, and fusion technology.

  Science Undergraduate Lab Internships; research experience in chemistry, physics, engineering, biology, nuclear medicine, applied mathematics, high and low energy particle accelerators, and science writing.

- **Federal Government Jobs** ([http://federalgovernmentjobs.us/](http://federalgovernmentjobs.us/))
  Free, accessible search of federal government jobs.

- **Lawrence Berkeley National Laboratory** ([http://www.lbl.gov/](http://www.lbl.gov/))

- **Lawrence Livermore National Laboratory** ([https://www.llnl.gov/](https://www.llnl.gov/))
  Science & Technology Education Program (STEP); internships for students in chemistry & materials science, computer science, engineering, physics.

- **Los Alamos National Laboratory** ([http://www.lanl.gov/](http://www.lanl.gov/))
  Jobs, post-docs, contracts, entry-level, undergraduate and graduate positions; Biology, Chemistry, Computer Science, Physics, Mathematics, Materials Science, Environmental Science; Engineering: Chemical, Civil, Computer, Electrical, Mechanical, Nuclear, Software.

- **National Science Foundation** ([http://www.nsfgrfp.org/](http://www.nsfgrfp.org/))
  Opportunities for graduate students and postdocs.

  Explore job postings and build your resume at this site dedicated to connecting job seekers with Federal positions. Provides governmental links and various employment resources.

  Internships, research opportunities, etc. in science; available for undergrad and grad students, post-docs and faculty.

  Located in Richland, Washington; science, math, engineering, technology research/internships.

  Apply to the Peace Corps after college and travel to other countries. It’s easy to explore assignments online, read news, apply online, and study the history of the Corps.

- **Public Service Careers** ([http://www.publicservicecareers.org/?pageid=616](http://www.publicservicecareers.org/?pageid=616))
  Job listings and career information for government, npo/ngo, international and other public sector careers.

  Hires civilian personnel.

**Graduate Programs**

- **GraduateGuide** (http://www.graduateguide.com/)
  Seek out information about a specific Graduate program or school or just browse and consider all your options.

- **GradSchools.com** (http://www.gradschools.com/)
  GradSchools.com, the leading and most comprehensive online graduate school guide to find the best graduate schools and graduate degree programs. Search from over 60,000 master's degrees, doctorate/doctoral degrees, PhD's and graduate certificate programs.

- **Peterson's Graduate Schools and Programs** (http://www.petersons.com/graduate-schools.aspx)
  Search for and explore graduate programs from around the world. Enter in a specific school, program, or geographical location to find the options that are best suited to you.

- **Ph.D.'s.org** (http://www.phds.org/)
  Science, math, and engineering career resources. Provides grad school rankings, job search links, articles, graduate school information, and articles relating to finding employment.

**Housing**

- **American University Housing & Dining Programs (D.C.)** (http://www.american.edu/ocl/housing/intern-housing.cfm)
  American University is Washington’s most attractive summer housing option, offering competitively priced living accommodations. Located in a beautiful residential area in the northwest corner of the District of Columbia.

- **College Rentals, Chicago** (http://collegerentals.com/Illinois/Chicago/)
  A list of all the student-friendly apartments in Chicago, Illinois.

- **College Rentals, Los Angeles** (http://collegerentals.com/California/LosAngeles/)
  A list of all the student-friendly apartments in Los Angeles, California.

- **Educational Housing Services** (http://www.studenthousing.org/)
  Provides safe and convenient housing for University of Michigan students & recent grads in NYC! EHS is a top resource for summer housing, providing safe, fully furnished and convenient residences designed for high-quality living throughout New York City and Brooklyn. EHS can also provide housing the summer after you graduate from your program, ideal for those considering a move to NYC but not ready to sign a lease. To find out more about EHS and the properties that are available this summer, please visit: [http://www.studenthousing.org/and/university](http://www.studenthousing.org/and/university).

- **Intern Housing Site** (http://www.wfu.edu/~sullivpc/)
  No matter what city your internship or job takes you to, you can find housing and/or roommates through the links on this list. Under each of the cities are links listed that offer housing in and around the area. There are also links listed for national apartment and rental searches for any cities not listed, as well as for further listings for the cities listed.

  Housing solution for students and young professionals doing internships in Metro Washington DC. Interns can find roommates, apartments, studios, lofts or group housing.
**International**

- **Going Global Country Career and Employment Resources** ([http://searchtools.lib.umich.edu/V?func=native-link&resource=UMI06340](http://searchtools.lib.umich.edu/V?func=native-link&resource=UMI06340))
  Provides world-wide job openings, internship listings, industry profiles and country-specific career information designed to help citizens of one country find employment in another country (including the U.S.).

- **Indiastat** ([http://www.lib.umich.edu/database/link/31254](http://www.lib.umich.edu/database/link/31254))
  A database that provides key statistics of India, including census, election, trade, education, health data and more. To access the data, click on a link called ‘IP Login’ at the top of the main page, and please remember to click ‘Logout’ from the top toolbar when you finish exploring the data.

  The gateway to all of our resources for non-US jobs and careers.

- **International Jobs - Working Overseas** ([http://www.state.gov/m/fsi/tc/79765.htm](http://www.state.gov/m/fsi/tc/79765.htm))
  Offers a comprehensive list (with hyperlinks) to NGOs and public sector job boards, private sector job boards, and other international career-building websites.

  Comprehensive Jobs Abroad directory with work abroad opportunities, overseas employment, teaching jobs, hospitality jobs, part time work.

  Jobs-in-Asia is one of the largest free platforms for internship and graduate job vacancies in Asia. The website hosts jobs from various companies across China, Japan, Korea, Southeast Asia and India from a variety of fields.

- **Kareeve.com** ([http://kareeve.com/](http://kareeve.com/))
  In addition to the many seasonal jobs featured from around the world, this site includes various articles from previous seasonal workers to give potential staff great insight into these experiences.

  Offers career and travel resources for going abroad to study, volunteer, intern, teach, travel or work.

  Top Engineering Jobs is a job board that lists many engineering roles in different sectors in the UK and abroad.

**Internships**

- **Entry Point** ([http://ehrweb.aaas.org/entrypoint/](http://ehrweb.aaas.org/entrypoint/))
  A program of the American Association for the Advancement of Science. Offers outstanding internship opportunities for students with disabilities in science, engineering, mathematics, and computer science.

- **BioMedical Engineering Co-op/Internships** ([http://people.rit.edu/gtfsbi/Symp/bme.htm](http://people.rit.edu/gtfsbi/Symp/bme.htm))
  Co-op/Internship Opportunities for 2012 related to Biomedical Engineering.

- **CleanTechRecruits.com** ([http://www.cleantechrecruits.com/](http://www.cleantechrecruits.com/))
  From internships for college students to jobs for Ph.D.s. Engineering, business and environmental jobs in sectors
including: Solar energy, wind energy, geothermal energy, biomass, biofuel, clean coal, green construction, hydropower.

- **Engineering Internships - Types of Engineering Internship Jobs** ([http://www.internships.com/intern/engineering](http://www.internships.com/intern/engineering))
  Choose from engineering internships in numerous fields.

- **Engineering Internship Jobs** ([http://www.learn4good.com/internships/engineering_internships.htm](http://www.learn4good.com/internships/engineering_internships.htm))
  Engineering Internship Jobs, Electrical Engineering Internship, Civil Engineering Internships, Mechanical Engineering Internships, Industrial Engineering.

- **Engineers Without Borders.org > Internships** ([http://www.ewb-international.org/opportunities.htm](http://www.ewb-international.org/opportunities.htm))
  Engineers Without Borders - USA (EWB-USA) is a non-profit humanitarian organization established to partner with developing communities worldwide in order to improve their quality of life. This partnership involves the implementation of sustainable engineering projects, while involving and training internationally responsible engineers and engineering students.

- **Mechanical Contractors Association of Metropolitan Washington.org** ([http://www.mcamw.org/](http://www.mcamw.org/))
  Lists co-ops and internships; includes career information.

  National Science Foundation

  Source for Undergraduate and Graduate Science and Engineering Internships. Users may search the database of internships, call upon online resources, and use the message board.

**Licensure**

- **Licensure for Engineers (P.E.)** ([http://www.ncees.org/Licensure.php](http://www.ncees.org/Licensure.php))
  One of the most important decisions you can make early in your engineering career is to place yourself on a professional course and become licensed as a professional engineer (P.E.). Learn more about the licensure process at this site.

**LGBT**

- **Federal Globe** ([http://www.fedglobe.org/home.html](http://www.fedglobe.org/home.html))
  Resource for GLBT federal employees.

  The uncompromising national voice for full LGBT equality, includes information regarding nondiscrimination laws.

- **Pride at Work** ([http://www.prideatwork.org/](http://www.prideatwork.org/))
  News and events to advance full equality for LGBT Workers.

- **Queer Resources Directory** ([http://www.qrd.org/qrd/](http://www.qrd.org/qrd/))
  Information regarding business, legal and workplace issues.
**Magazines**

  A career and self development magazine targeted to African-American students and other students of color seeking information on careers, job opportunities, graduate/professional school, internships/co-ops, study abroad programs, etc.

  Free Magazines in the Engineering & Architecture industry.

- **Diversity Employers Magazine – Digital** ([http://diversityemployers.epubxp.com/i/224970](http://diversityemployers.epubxp.com/i/224970))
  Jobs with employers committed to workforce diversity.

  Browse through an extensive list of free Engineering magazines, white papers, downloads and podcasts to find the titles that best match your skills; topics include electronics, civil engineering, design engineering and bioengineering. Simply complete the application form and submit it. All are absolutely free to professionals who qualify.

  Since 1968, Equal Opportunity Publications, Inc. (EOP) has led the way in diversity recruitment with a portfolio of seven national career magazines, a diversity website, online job board, and Career Expos for women, members of minority groups, and people with disabilities.

  Online version of the magazine; notice the focus on graduating students.

  Browse through an extensive list of free Engineering magazines, white papers, downloads and podcasts to find the titles that best match your skills.

**Networking**

- **A University of Michigan Alumni Mentorship Program** ([http://sitemaker.umich.edu/mentorship/files/index.html](http://sitemaker.umich.edu/mentorship/files/index.html))
  Provides current students and recent graduates with the opportunity to reach out to alumni and seek their guidance and assistance with critical professional and social issues.

- **Job Search Networking – About.com** ([http://jobsearch.about.com/cs/networking/a/networking.htm](http://jobsearch.about.com/cs/networking/a/networking.htm))
  How to Use Job Search Networking to Find a Job

- **LinkedIn.com** ([http://www.linkedin.com/](http://www.linkedin.com/))
  120 million+ members. Manage your professional identity. Build and engage with your professional network. Access knowledge, insights and opportunities.

- **MentorNet** ([http://mentornet.net](http://mentornet.net))
  MentorNet is the award-winning nonprofit e-mentoring network that addresses the retention and success of women in engineering, science and mathematics. MentorNet provides highly motivated individuals from many of the world’s top colleges and universities with positive, one-on-one, email-based mentoring relationships with
mentors from industry and academia.

- Networking to Enhance Your Job Search (http://www.rileyguide.com/network.html)
  The Riley Guide to improve networking in the job search.

  Critical tools for job seekers from Quintessential Careers web site.

- University of Michigan Alumni Association (http://alumni.umich.edu/learning/career-development)
  Resources for networking and career development.

**Professional Associations**

- American Institute of Chemical Engineers (AICHE) (http://www.aiche.org/)
  See careers and employment for jobs listings, salary surveys, more.

- American Society of Mechanical Engineers.org (http://www.asme.org/kb/topics/career-development)
  Includes "entry level" in job search.

- BMES Job Board (http://jobboard.bmes.org/search.cfm)
  Lists current jobs in the Biomedical industry.

- Engineering Society of Detroit (http://ww2.esd.org/home.htm)
  The Society's programs and services are dedicated to enhancing the profession and the community, while encouraging growth and development of engineers and scientists for the future. They host local Engineering career fairs and provide members with job placement services.

  Has professional development and career resources.

- IEEE.org Job Site (http://careers.ieee.org/)
  Job search free to all; members can use other services.

- Institute of Transportation Engineers (http://jobs.ite.org/)
  Employment Center Job Search.

- List of U.S. Professional Engineering Societies (http://en.wikipedia.org/wiki/List_of_engineering_societies#United_States)

- National Society of Professional Engineers (http://www.nspe.org/index.html)
  The National Society of Professional Engineers (NSPE) strengthens the engineering profession by promoting engineering licensure and ethics.

- Professional Engineering Societies Links (http://www.dedicatedengineers.org/Resources/eng_societies.htm)
  Links to overarching, discipline/industry/field specific engineering societies, and minority/women-focused societies.
Research

- **Encyclopedia of Career Development**
  This encyclopedia explores changes in the nature of work, shifts in the meaning of career success, the rise of global business and international careers, heightened concerns over social influences on careers, and emerging labor laws and regulations.

- **ENR.com**
  Engineering News Record.

- **Ferguson's Career Guidance Center**
  [http://searchtools.lib.umich.edu/V?func= native-link&resource=UMI01216](http://searchtools.lib.umich.edu/V?func=native-link&resource=UMI01216)
  Provides comprehensive, up-to-date profiles of more than 2,500 of today's most popular jobs in more than 93 industries. Information includes job tracks, salaries, and prerequisites.

- **Glassdoor**
  Glassdoor is your free inside look at jobs and companies. Salary details, company reviews, and interview questions — all posted anonymously by employees and job seekers.

- **Hoovers Online**
  This is the perfect place to find company and contact information along with industry classifications. Simply type in a company name and Hoovers will do the rest! An invaluable resource.

- **Human Rights Campaign**
  Provides information on workplace non-discrimination policies, domestic partner benefits, transgender issues and the corporate equality index.

- **iSciWNY**
  Check out this one-stop shop... iSciWNY – Careers in the Life Sciences. It contains info about Life Science careers, education, training and even links to companies and institutions.

- **Job Hunter's Bible**
  Take interactive tests, create and post your resume, search for contacts, research fields and companies, and look at job openings. Also includes some information on today's job climate.

- **LexisNexis Academic**
  Provides full-text access to a wide range of news, business, legal, and reference information, including hundreds of U.S. and foreign newspapers, legal and business publications, wire services, broadcast media transcripts, and trade/news magazines.

- **Occupational Outlook Handbook**
  Source of career information in various fields. Browsers may locate information based on specific occupations and multiple occupations by using the site's search function. Information is provided by the U.S. Department of Labor, Bureau of Labor Statistics.

- **Research Experience for Undergraduates (REU)**
  National Science Foundation.

- **ScienceCareers.org**
  [includes Science's Next Wave](http://sciencecareers.sciencemag.org/)
  - Covers scientific training, career development, and the science and technology job markets. Provides career resources for scientists and recruiting solutions for employers.
• **Sloan Career Cornerstone Center** ([http://www.careercornerstone.org/](http://www.careercornerstone.org/))
  SCCC is a resource center for those interested in careers in science, technology, engineering, and mathematics.

  Articles about careers and employment in addition to specific resources are easy to access at this site. Examine hot job tracks, benefits, and discuss various issues in the forum.

• **Vault Online Career Library** ([http://searchtools.lib.umich.edu/V?func=native-link&resource=UMI06385](http://searchtools.lib.umich.edu/V?func=native-link&resource=UMI06385))
  A compilation of career information and management tools, with over 140 titles covering a multitude of workplace topics, thousands of company and university profiles, data on occupations and industries, up-to-the-minute message boards, job-related video feeds, blogs and other research tools.

• **WetFeet.com** ([https://www.wetfeet.com/](https://www.wetfeet.com/))
  Research industries, companies, locations, and salaries while getting advice about resumes, interviewing, internships, and various other matters. Conduct a full time or internship job search. WetFeet is intended for soon to be or recent college grads.

• **What Works: Michigan Employment Information Resources** ([http://whatworksmichigan.wikispaces.com](http://whatworksmichigan.wikispaces.com))
  A wiki devoted to Michigan Employment Information Resources and developed by graduate students at the University of Michigan School of Information. This wiki is not meant to be a job posting site, rather an aggregator for links to relevant resources for those seeking employment in Michigan.

**Salary**

• **EngineerSalary.com** ([http://engineersalary.com/](http://engineersalary.com/))
  This site enables technical professionals to stay up to date with the latest engineering salary information - delineated by education, experience, job function, industry, skills and location.

  The National Association of Colleges and Employers uses its extensive data to provide salary information based on many criteria such as location, occupation and experience.

  NerdWallet assists engineering students to evaluate how far potential salary offers or salary negotiations will go in different cities. Our index lets students tailor their search based on demographics (i.e. student or recent graduate) and gives them relatable and easy points of references such as the price of a cup of coffee or a movie ticket as well as essential living costs like rent, transportation and healthcare.

• **Salary.com** ([http://www.salary.com/](http://www.salary.com/))
  Salary.com is a great resource to find out what you are worth via reports and self tests. Offers advice and various additional information to aid in the search process.

• **Salary Calculator at homestore.com** ([http://www.homefair.com/real-estate/salary-calculator.asp](http://www.homefair.com/real-estate/salary-calculator.asp))
  Wondering how far salaries stretch in cities around the United States? Enter in your home state, where you intend on moving, and your current or offered salary. The system will give you an idea of how far your money stretches.

• **Salary Expert** ([http://www.salaryexpert.com/](http://www.salaryexpert.com/))
  Salary resource providing free salary tools, a free salary report (domestic and international), and links to resources. For a fee, users may request more detailed reports.
Third-Party (Employment) Recruiting

  The National Association of Colleges and Employers (NACE) defines third-party recruiters as "agencies, organizations, or individuals recruiting candidates for temporary, part-time, or full-time employment opportunities other than for their own needs."

- Recruiters, Head-Hunters, Search Consultants (http://www.jobjunction.com/recruiters.htm)
  Explanation of each type of resource in the field of recruitment.

- Working with third-party recruiters (http://www.medzilla.com/thirdpartyrecruiters.htm)
  Answers to numerous questions about this topic.

Training

- Career Search (http://www.careersearch.com/home/)
  CareerSearch provides career information, training, and advice so you can get the career you deserve.

- JobSTART 101: Smart Tips and Real-World Training (http://www.jobstart101.org/)
  This free, online course is an interactive training designed to help college students and recent graduates understand the professional skills necessary to succeed in the workplace and the challenges and expectations they may face when entering the job market.
