

Spring/Summer 2024 Internships
ENGR 196 Engineering Undergraduate Student Registration & Requirements

ENGR 196 combines academic study with relevant work experience. It is an optional course available to undergraduate College of Engineering students after the second semester of their first year with a GPA of 2.75 or higher. This course carries one credit, but does not count toward degree requirements. The internship job duties must relate to the student's major.

- *Spring/Summer internships:* students must work 30 to 40 hours per week for a minimum of 6 weeks and may be enrolled for the Winter term prior to the internship **or** for the respective Spring/Summer term
- *Fall/Winter internships:* students must work 10 to 20 hours per week for a minimum of 8 weeks, must maintain status as a full-time student and be enrolled for the respective Fall/Winter term

Application Materials & Enrollment (before your internship)

To apply for ENGR 196, you must:

- 1) Attend one ENGR 196 & ENGR 998 - CoE Internship Seminar ([Engineering Careers](#) Events for Seminar times).
- 2) *For international students only:*
 - a) Please see the CPT flowchart/documents specific to CoE students on the registration materials.
 - b) Your Engineering Academic/Faculty Advisor Recommendation Form for CPT must be signed by:
 - i) Your Academic Advisor on page 1.
 - ii) After your Academic Advisor signs the form, email the CPT form and your job offer letter to coe-intern-coop@umich.edu for the ECRC Advisor signature on page 2.
- 3) Write Initial Essay (See Syllabus provided during Seminar for details)
- 4) Complete the application in Engineering Careers and upload the following documents:
 - a) **Offer Letter** from the employer that must include the following details:
 - i) Job Title
 - ii) Assignment Details including job responsibilities and location
 - iii) # of hours per week
 - iv) Start/End Dates
 - b) **Degree Plan/Academic Advisor Approval Form (signed by Academic Advisor)**
 - c) *For international students:* **Signed Engineering Academic/Faculty Advisor Recommendation Form for CPT**
 - d) **Initial Essay**

Instructions to apply:

- 1) Log into your [Engineering Careers](#) account
- 2) Select 'Internship/Co-op Course'
- 3) Click '+New Experience'
- 4) Follow prompts to submit all documents

You will not be granted permission to enroll in ENGR 196 until you have attended the required Seminar, have submitted all of the requirements listed above via Engineering Careers, and your application is approved by the ECRC. Incomplete registration or missing documents will delay your enrollment into ENGR 196. Once approved, you will be granted permission for enrollment and receive an email outlining your next steps. ENGR 196 is 1 credit and you will be charged accordingly. This 1 credit course does not count toward your graduation credits. If your CPT is rejected by the International Center, it is your responsibility to withdraw from the course. If your internship plans change, you must inform the ECRC. International students must also inform the International Center.

The student above wishes to apply for Curricular Practical Training (CPT). CPT authorization allows the student to engage in practical training, paid or unpaid, that is an **integral** part of an established curriculum and is directly related to the student's major area of study. The goal of CPT must be to advance the student in their academic program in a specific and definable way.

Note: employment for the sole purpose of earning money or to gain experience is not an appropriate use of CPT. CPT may not delay completion of the student's academic program. Please note that non-required CPT is only allowed in your final term if you are also registered for other courses which are required for the completion of your academic program.

Please complete the following information to help us determine whether the proposed practical training activity meets the U.S. Department of Homeland Security requirements for CPT authorization. Call 734-764-9310 if you have questions.

- Has the student completed their coursework? ☐ yes ☐ no
(If yes and the student is a PhD candidate, you must also complete Part 3 of this form)
- Credits Remaining to Graduate (including DISS-CAND 995) _____
- Anticipated Academic Program Completion Date _____

Check one:

☐ As the student's advisor, I certify that this CPT is a **required** part of the program, i.e. the program **requires** all students to have practical work experience in the field of study.

☐ As the student's advisor, I certify that this CPT is a **non-required** part of the student's program. It is an integral part of the student's curriculum and pursuant to a course with a formal practical training component.

To make the CPT an integral part of the established curriculum, the student must be enrolled for a course specifically designated for this CPT. **It is the student's responsibility to register for, pay for, and complete the course.**
