All engineering career fairs held during the 2020-2021 academic year will be video based, virtual events conducted through Career Fair Plus (CF+). This platform will allow students to connect with recruiters via video in pre-scheduled time slots. This guide provides an overview of required action items, preparation tips for the fair, and instructions for engaging with recruiters during the event. Please visit https://career.engin.umich.edu/events/career-fairs/ to learn about all upcoming career fairs, and contact ecrc-info@umich.edu with any questions.

The following diversity statement has been shared with employers regarding expectations for CoE events:

*Diversity broadens our perspectives and paves the way for innovation. Our community includes people from different races and ethnicities, genders and gender identities, sexual orientations, ages and socio-economic backgrounds. We speak different languages, come from different cultures and countries, and practice different religions. We have different abilities and disabilities, different political perspectives, and different life experiences. We’re committed to ensuring all members of our community have the opportunity to participate fully without worrying about facing bias, harassment, or discrimination. As you engage with candidates, we ask that you join us by creating welcoming environments during your career fair interactions.*

*Please contact ECECareerFair@umich.edu with any questions or concerns about the CEE Career Fair.*

5. SCHEDULE APPOINTMENTS STARTING SEPT 28 at 12 PM ET

a. Guidelines - In order to ensure that you can follow through on your commitments, respect recruiters’ time, and ensure equity for all career fair participants, it is expected that you will:
   i. Be aware of your time and don’t overbook yourself with appointments. If you make a commitment to meet with recruiters, your attendance is expected.
      1. Students who fail to show up to their scheduled appointment time slots may be prohibited from utilizing Symplicity to sign up for interviews. If there are extenuating circumstances, please contact eng-careerfair@umich.edu as soon as possible.
   ii. Only book one appointment per company/position recruited for.
      1. Note, some companies will have multiple recruiters.
   iii. Explore a variety of companies to help diversify your search. Having access to the virtual platform ahead of time allows you to research companies you may not have considered before but that may be a great fit.
   iv. Be a responsible CoE community member and plan your schedule as you would for an in-person fair. The ECRC will be monitoring appointments in order to prevent individual students from monopolizing time slots.
   v. If you arrive early to your scheduled appointment, please wait to knock until 2 minutes before your time slot to be respectful of other students’ and the recruiter’s time.

b. Schedule appointments to meet virtually with recruiters beginning Sept 28 at 12:00 PM ET.
   i. Conduct company research prior to Sept 28 so that you are ready to schedule appointments when the fair opens at 12:00 PM ET.
   ii. Appointments are first-come, first-serve, so if there is an employer you want to meet with, don’t wait to schedule an appointment with them!
   iii. Check the schedule, including day of the fair, for open appointments. Companies may add appointments and other students may cancel appointments.

c. Appointment Scheduling
   i. Select the employer you would like to meet with and then tap 'Meetings' to see the schedules they have available.
   ii. Select the schedule that you’re interested in; employers may have multiple schedules.
      1. Employers may also have prerequisites for certain schedules. Before you can book appointments with prerequisites, you will need to confirm that you qualify.
         iii. Select a time that works for you, and tap 'YES' to book the appointment slot.
            1. You will receive an email confirmation for each appointment you schedule.
d. **Cancel/Change an Appointment**
   i. Tap on ‘Meetings’ and then tap on the appointment you would like to change. You will then have an option to CANCEL the appointment or CHANGE the time (if alternative slots are available).
      1. You will receive an email confirmation for each appointment you cancel/change.

**The Day Before the Fair**

1. Open the app/desktop and log into your account
2. Make sure you can access your virtual appointment schedule
   a. If you are not able to attend your appointment, cancel it.
   b. If you have available time in your schedule, check to see if other companies have open appointments.
3. Check the interaction type listed under the schedule for each of your appointments. You can view this by clicking through to the schedule, and checking under the employer name, as below
   a. **For Schedules using the CF+ Video platform**
      i. **IMPORTANT:** If the interaction type says *CF Plus Video Room*, the appointment will take place in the CF+ integrated video meeting room.
   b. **For Schedules NOT using the CF+ Video platform**
      i. Make sure you check the interaction type, so you know what to expect on the day of the fair, whether it's a phone call, or an external link (Zoom, WebEx, Skype, etc). If there are additional instructions provided on the schedule, these might give further details about how you can expect the recruiter to contact you.

4. Set up/prepare your personal space for your appointments and have your professional attire ready to wear. Test your internet connection from the location you plan to be at during the fair.
   a. Please review UM's [Video Conferencing Best Practices](#) page for additional tips.

6. Make sure you have a final copy of your resume submitted. If you make changes to your resume and upload it after the fair has concluded a recruiter may have trouble accessing it. Please note you are only able to upload one resume at a time.
On the Day of the Fair

7. During your conversations with recruiters, inquire about the best way to get in touch with the company to follow up after the fair regarding next steps.
