The following diversity statement has been shared with employers regarding expectations for CoE events:

Diversity broadens our perspectives and paves the way for innovation. Our community includes people from different races and ethnicities, genders and gender identities, sexual orientations, ages and socio-economic backgrounds. We speak different languages, come from different cultures and countries, and practice different religions. We have different abilities and disabilities, different political perspectives, and different life experiences.

We’re committed to ensuring all members of our community have the opportunity to participate fully without worrying about facing bias, harassment, or discrimination. As you engage with candidates, we ask that you join us by creating welcoming environments during your interactions.

   a. If you are not able to attend a meeting, cancel it.
   b. If you have available time in your schedule, check to see if other companies have open meetings.
2. Check the interaction type listed under the schedule for each of your meetings. You can view this by going to your meetings at https://app.careerfairplus.com/my-fairs.
   a. For Schedules using the CF+ Video platform
      i. If the interaction type says CF Plus Video Room, you will see a blue ‘Join Meeting’ button.
   b. For Schedules NOT using the CF+ Video platform
      i. If the interaction type is not on the CF+ video platform, click on the top right arrow in the meeting details. Make sure you check the interaction type, so you know what to expect on the day of the event, whether it’s a phone call or an external link (Zoom, WebEx, Skype, etc) and review any additional instructions that are provided.
3. Set up/prepare your personal space for your meetings and have your professional attire ready to wear.

Career Day

1. If you have any questions the day of the event, please email eng-careerfair@umich.edu.
2. Log into CF+ and access your virtual meeting schedule.
   a. Use the app to help you track your meetings.

5. If you or the recruiter have technical difficulties at the time of the meeting, we’ve instructed the recruiters to call the phone number listed in your profile.
6. During your conversations with recruiters, inquire about the best way to get in touch with the company to follow up after the event regarding next steps.
   a. Please note that some recruiters may not share their contact information.

After the Event

1. Apply for jobs in accordance with instructions provided by the company.
2. Keep an eye on email and have your phone handy for interview invitations.
   a. Some recruiters may expect a quick turn around for scheduling interviews
