Parking, Shuttle, Curbside, and Check-In

As on many large campuses, parking is challenging and extremely limited. We strongly suggest the use of carpooling, airport/hotel shuttle and/or ride services to avoid parking challenges. The following suggestions are provided to make your visit to the University of Michigan as easy and pleasant as possible. Parking is available to companies in parking structure NC100.

You must arrive at the NC100 parking structure between 7:00 am and 11:00 am to receive a parking pass from a parking attendant. If you arrive outside of these hours, please see “Other Parking Options” below.

Shuttle Service
Once parked, proceed to the Shuttle Pick up sign near the entrance to the parking structure. Shuttle service will run continuously between parking structure NC100 and Pierpont Commons from 7:00 am to 11:00 am and then again from 2:30 to 4:30pm. If you need shuttle service between 11:00 am and 2:30 pm, please speak to a staff member in the Recruiter Lounge located in your assigned building or call 734-647-7160. If you will be on campus after the shuttles stop at 4:30pm, we recommend moving your car closer to your event before the shuttles end for the night.

Curbside Package Service (see directions on next page)
Package drop-off/pick-up service is available at the Pierpont Commons circle drive. Curbside attendants are available to assist you in transporting your materials from your car to the Employer Check-in Area from 7:30 am until 10:00 am and again from 3:00 pm to 4:00 pm. Do not leave your car unattended. Please wait in or by your car and flag an attendant to assist you so you do not receive a ticket for leaving your vehicle unattended.

Employer Check-In
Employer representatives should report to the check-in table and pick up any packages dropped off at Curbside. Check-in will be located in Pierpont Commons just inside the doors near the circle drive. Employer check-in begins at 7:30am and ends at 10:00am.

Other Parking Options
Other options for parking include any of the U-M visitor parking lots with meters colored in red on the map located on the last page of this document. You will be responsible for payment of an hourly parking fee. Check the lot entrance for payment information. Additional U-M visitor parking locations found at ltp.umich.edu/maps. Please note shuttle service is not available at these lots.

The ECRC is not responsible for parking violation tickets and cannot provide assistance with resolving parking tickets.
