

Student Guide for In-Person Winter Engineering Career Fair

Wed 1/26 10a-3p ET

This event is hosted by the [Engineering Career Resource Center](#). The fair will be held over two days: one will be virtual and one will be in-person. This guide includes information for the **in-person** day of the fair. Information for the virtual day of the fair can be found here: career.engin.umich.edu/WECFVIRStudentGuide

Please let us know how we can ensure that our events are inclusive to you. Email eng-careerfair@umich.edu to let us know what accommodations or access needs we can help facilitate at least one week prior to the event.

Fair Format

- Pre-fair meeting registration is not required for this event - meetings are first come first served on the fair date
- The fair will be held in-person on North Campus
- We suggest wearing professional attire from head to toe for the fair
- If you have any questions on the day of the fair, visit ECRC's office in 230 Chrysler Center

Health & Safety Protocols

- All individuals are required to wear a face covering while indoors, regardless of vaccination status
- Fill out the [ResponsiBLUE](#) Covid-19 health screening on the day of the fair
- Enhanced cleaning procedures are in place, including increased hand sanitizing stations throughout facilities
- Students and recruiters are discouraged from shaking hands.

Career Fair Plus

- View companies who are attending on Career Fair Plus: app.careerfairplus.com/ume_mi/fair/4041
 - Use filters to research companies you may not have considered before but that may be a great fit.
- Download the Career Fair Plus app to view the fair map and receive notifications about the fair

Workshops

- Attend our Career Fair Preparation and Resume Writing workshops
- Sign up for a Resume Critique and Career Fair Practice session (require early registration in [CF+](#))
- Find more information here: career.engin.umich.edu/events/workshops/

ECRC Piazza

- Join the [ECRC Peer Advising Piazza](#) page for reminders about the career fair and general tips

The following diversity statement has been shared with employers regarding expectations for CoE events:

Diversity broadens our perspectives and paves the way for innovation. Our community includes people from different races and ethnicities, genders and gender identities, sexual orientations, ages and socio-economic backgrounds. We speak different languages, come from different cultures and countries, and practice different religions. We have different abilities and disabilities, different political perspectives, and different life experiences.

We're committed to ensuring all members of our community have the opportunity to participate fully without worrying about facing bias, harassment, or discrimination. As you engage with candidates, we ask that you join us by creating welcoming environments during your interactions. To learn more about overcoming bias to ensure positive engagement within our community, we encourage you to watch this video: <http://bit.ly/umcoebiastraining>
