**Diversity Statement for Employers**

Diversity broadens our perspectives and paves the way for innovation. Our community includes people from different races and ethnicities, genders and gender identities, sexual orientations, ages and socio-economic backgrounds. We speak different languages, come from different cultures and countries, and practice different religions. We have different abilities and disabilities, different political perspectives, and different life experiences.

We’re committed to ensuring all members of our community have the opportunity to participate fully without worrying about facing bias, harassment, or discrimination. As you engage with candidates, we ask that you join us by creating welcoming environments during your interactions. To learn more about overcoming bias to ensure positive engagement within our community, we encourage you to watch this video: http://bit.ly/umcoebiastraining
Overview

- **In-Person v. Virtual Fairs**
  - This fall, you will have the opportunity to participate in both in-person and virtual fairs
  - **In person fairs**
    - Will occur on North Campus, see event details for specific location
    - Do not require registration
    - Interactions with employers are first come first served on the day of the event
  - **Virtual fairs**
    - Will be held via Engineering Careers by 12twenty
    - Require advance registration / sign ups to interact with employers

- **Viewing events in Engineering Careers, by 12twenty**
  - To view the career events, log into Engineering Careers by 12twenty and click on “Events”
  - Use the “Event Type” filter options or search bar to find events
  - Once you find an event of interest, click on the event name to get additional information

- **Filtering Employers for Career Fairs/Company Days**
  - Go to the career fair/company day of interest
  - Click on “Employers” to see a list of the companies attending
  - Click “Add Filter” to filter on employers who are hiring students of your major, located in specific areas, etc, and select a filter of interest
    - Note: You can add multiple filters
  - Click on a company name to see more information, such as description and recruiting/hiring needs

- **Registering/Signing up for Career Events**
  - Registration is only required for the Virtual Engineering Career Fair
    - If you register for the virtual fair, all companies attending the fair will have access to your name, email, degree/major, graduation date, and resume
  - View page 3 for additional instructions on signing up to meet with employers for virtual events

- **Event Eligibility**

    - You may receive an email from the company or ecrc-info@umich.edu
Virtual Career Fair 10/6

The Virtual Engineering Career Fair requires advance meeting sign ups with employers within Engineering Careers by 12twenty.

- **Sign Up Window**
  - For all CoE and declared LSA Computer Science & Data Science majors:
    - Sign ups open on Wednesday 10/4 at 7pm ET
    - Sign ups close on Friday 10/6 at 12pm ET
  - Non-CoE students, including students who are undeclared LSA Computer Science and Data Science majors, are eligible to sign up for meetings with employers for the Virtual Engineering Career Fair starting Thursday 10/5 at 12pm.
    - If interested, please fill out this form by Wednesday 10/4 at 11:59pm.

- **Meetings Guidelines**
  - Be a responsible CoE community member and do not monopolize time slots
  - You may only sign up for one meeting per company per event
  - **No shows and day-of cancellations**
    - If you make a commitment to meet with recruiters, your attendance is expected
    - If you fail to show up to your scheduled meetings or cancel after the start time of the event, you may be prohibited from utilizing Engineering Careers. If there are extenuating circumstances, please contact eng-careerfair@umich.edu immediately.

- **Upload your Resume Prior to Registration Opening**
  - Log into Engineering Careers by 12twenty and click on “Profile”
  - Under “Application Materials”, click “+Add New Resume”

- **Registration/Sign Ups for Meetings with Employers**
  - Log into Engineering Careers by 12twenty and navigate to the Virtual Engineering Career Fair and click on the “Employers” Tab
  - Note: You will need to register for the fair first and then you can sign up for meetings
  - **Register for the Fair**
    - Once meeting sign ups open, you will see an option to click a blue “Register” button in the top right hand corner on the “Event Details” tab
      - Make sure the correct resume is selected. If not, you can upload a new resume.
      - Confirm your registration on the next screen
    - Click the blue “Go Back to Event Page” button at the bottom of the next page
    - **Reminder:** When you register for a virtual fair, all companies attending the fair will have access to your name, email, degree/major, graduation date, and resume
  - **Schedule Meetings**
    - To schedule a meeting, go the “Employer” tab, and click the blue “Select a Time Slot” button next to a company’s name
    - Review the available schedules and select a time by clicking “Select Time Slot”
      - Confirm your meeting sign up on the next screen
    - Note: You are limited to one meeting time slot per company. If you try to schedule more than one meeting with the same company, your first meeting will automatically be canceled.
- **Reschedule a Meeting with the Same Company**
  - Click the three dots to the right of the meeting scheduled, and click “Edit”
  - You can select an alternative meeting time slot
    - Confirm your new meeting time slot on the next screen
    - Please note that your initial meeting will automatically be canceled
- **Cancel a Meeting**
  - Click the three dots to the right of the meeting scheduled, and click “Cancel”
  - Confirm your meeting cancellation on the next screen

- **Preparing for Virtual Fairs**
  - Check the interaction type listed under the schedule for each of your meetings. Make sure you download/test any platforms that you will be using.
  - Set up/prepare your personal space for your meetings and have your professional attire ready to wear.
  - Test your internet connection from the location you plan to be at during the fair.
    - Please review UM’s [Video Conferencing Best Practices](#) page for additional tips.
  - Review your resume and be prepared to explain past experiences.
  - Make sure you have a final copy of your resume uploaded to Engineering Careers

- **On the Day of Virtual Fair**
  - If you have any questions on the day of the fair, please email eng-careerfair@umich.edu.
  - Log into [Engineering Careers by 12twenty](#) and navigate to the virtual fair
    - Click on the Events Tab
    - Scroll to Event of Interest
    - Click ‘Employers Tab’ to see your scheduled meetings with specific employers
    - **Scheduled Meetings**
      - To join the virtual rooms for the meeting you prescheduled, click on the virtual meeting link provided for each scheduled meeting.
    - **Drop In Meetings**
      - Some companies have elected to add a drop in room, in addition to scheduled meetings. If you are interested in meeting with a company that you were not able to pre schedule a meeting with, click on the company name and you can join the virtual meeting link (Zoom, WebEx, etc) that is above all of the schedules (not attached to a schedule) during the fair. Please note that most drop in rooms will be in a group setting, but some companies may enable a waitlist and connect with students one-by-one.
  - **Etiquette for Joining Rooms**
    - Be punctual, but not more than 2 minutes early. You don’t want to arrive too early and interrupt their conversation with another student.
  - **Technical Difficulties?**
    - If there are technical difficulties, recruiters are instructed to contact you via information provided on your resume, such as your phone number.
  - **Following Up with Companies**
    - During your conversations with recruiters, inquire about the best way to get in touch with the company to follow up after the fair regarding next steps.
      - Please note that some recruiters may not share their contact information.
