Parking, Shuttle, Curbside, and Check-In

As on many large campuses, parking is challenging and extremely limited. We strongly suggest the use of carpooling, airport/hotel shuttle and/or ride services to avoid parking challenges. The following suggestions are provided to make your visit to the University of Michigan as easy and pleasant as possible. Parking is available to companies in parking structure NC100.

You must arrive at the NC100 parking structure between 8:00 am and 10:00 am to receive a parking pass from a parking attendant. If you arrive outside of these hours, please see “Other Parking Options” below.

Shuttle Service
Once parked, proceed to the Shuttle Pick Up sign near the entrance to the parking structure. Package drop-off/pick-up service is available at the Pierpont Commons circle drive. Curbside attendants are available to assist you in transporting your materials from your car to your booth location from 8:00 am until 10:00 am and again from 3:00 pm to 4:00 pm. Do not leave your car unattended. Please wait in or by your car and flag an attendant to assist you so you do not receive a ticket for leaving your vehicle unattended.
